

DU-875 UPGRADE NOW AVAILABLE FOR YOUR AIRFRAME!

Out with the old...in with the new. Your current CRT DU-870 displays will soon be obsolete and support for the units will no longer be available.

Avoid obsolescence and take advantage of great incentives by upgrading one or all of your CRT DU-870 displays now to the latest LCD technology with the DU-875.

LIMITED TIME OFFER!
\$40,000 TRADE-IN VALUE PER
DISPLAY UNIT (NO LIMIT)

Honeywell

The DU-875 is a form-fit **plug-n-play** unit which means the **elimination of modifications** to the cockpit, **no changes** to existing aircraft wiring, and **no additional pilot training** is needed, all of which ensure **limited aircraft downtime**.

DU-875 Benefits

- Increased display reliability
- New 24-month display warranty
- Growth plan that takes advantage of future technologies and applications
- Reduced cost of ownership through the LCD display being significantly lighter, providing weight reduction and fuel savings
- Adds additional life to your aircraft

Contact your Pentastar Aviation sales representative to learn more about the DU-875 upgrade, features of the Primus Elite and additional incentives available for upgrading now.
